 from WatchMojo [↗](#)

As part of a secret program the [Facility](#) created a female clone of the [X-Men](#) member [Wolverine](#) she was known as Laura Kinney otherwise known as X-23 (designated as the 23rd attempt at creating a clone) with [Dr. Sarah Kinney](#) as her mother. Since she was made to be a weapon, Laura Kinney was trained by her Sensei who showed her kindness but overall she had never love and affection from her creators who viewed as nothing more than a tool. One day, Laura had accidentally killed her mother and this caused great grief to her. After escaping the Facility X-23 later became a prostitute in the streets of [New York City](#) with a community of other [mutants](#). X-23 then met her biological "father" Wolverine and soon afterward she would later attend school as a student of [Xavier's School for Gifted Youngsters](#). X-23 just like her father would go on to be a member of the black-ops mutant squad known as [X-Force](#). When she grew up and became an adult her father [had initially died](#) and would become **Wolverine** to honor her father's legacy.
